

Freccia-800

Freccia 800 is the first born and the direct link to the Naumatec racing heritage.

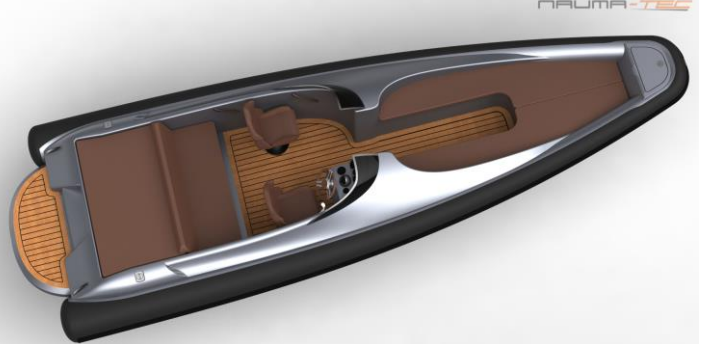

The 800 leisure version features the exact same hull of the 800 racing -a hull pushed by our drivers at 80 knots that lets you safely sail at 50- perfectly combined with the clean and sophisticated design that has always been a trademark of the work of the designer Federico Fiorentino.

Made of vinylester resins, using the infusion technique, the Freccia 800 is finished with deck fittings, coatings and accessories of the highest quality, according with a view in which every detail must contribute to a higher level product.

On the Freccia 800 the central opening typical of American "Bow Riders" meets, for the first time ever, Italian style. The result is a highly enjoyable and practical tender both while navigating and while relaxing at sea. Despite its very aggressive look, once on board, it will feel like a tasteful lounge.

To give a plus, Naumatec has even introduced the possibility to equip the boat with a Hard-Top and a small cabin which use can be customized, without affecting the elegance and cleanness of this craft's line.

TECHNICAL DATA:

Lenght (m): 8,25 (8,70 with outboards)
 Ext-Int Width (m): 2,67-1,80
 Max Height (m): 1,33
 Dry Weight (kg): From 1.900
 Tubes diameter (m): 0,5 - 0,3
 Tubes compartments: 7
 Max Load (people): 9 to 12
 Fuel tank capacity (l): 250
 Max HP: 420 Gas / 370 Diesel
 Max speed: 60 knots

ENGINE CONFIGURATIONS:

Volvo D4 300 Hp DP Diesel – Volvo Drive
 Mercruiser TDI 4.2 370 Hp DT9 – Bravo 3
 Mercruiser 6.2 L DTS 350 Hp DT9 Gas – Bravo 1
 2 x Mercury Verado 200 Hp Gas – Outboard

STANDARD EQUIPMENT:

Gelcoat finishing RAL 9010
 Tubes in "Cream White" Hypalon
 Teak Finished deck
 Full cushions set
 Retractable navigation light
 Retractable bathing ladder
 Retractable mooring cleats
 Eyebolts at stern
 Tubes electric inflator
 Deck LED lights
 S/S Handrails at bow
 Electric inflator
 Authomatic+manual bilge pump
 Hauling system - 3 points
 Fire extinguisher

OPTIONALS PROPOSED:

Custom colour – Gelcoat or Paint
 Custom colour Hypalon tubes
 Hard-Top
 Shower system
 Audio system Raymarine
 GPS chart plotter Raymarine
 VHF with AIS receiver
 Anchor electric windlass
 Underwater lights
 Courtesy handle
 Towing reinforced hook
 Water ski pole
 Fridge
 Spray dodger
 Boat cover
 S/S Logo
 ...
