

TENDERLUX - 475/460/430

TENDERLUX 475 is a perfect synthesis of elegance and performance that make it an excellent tender.

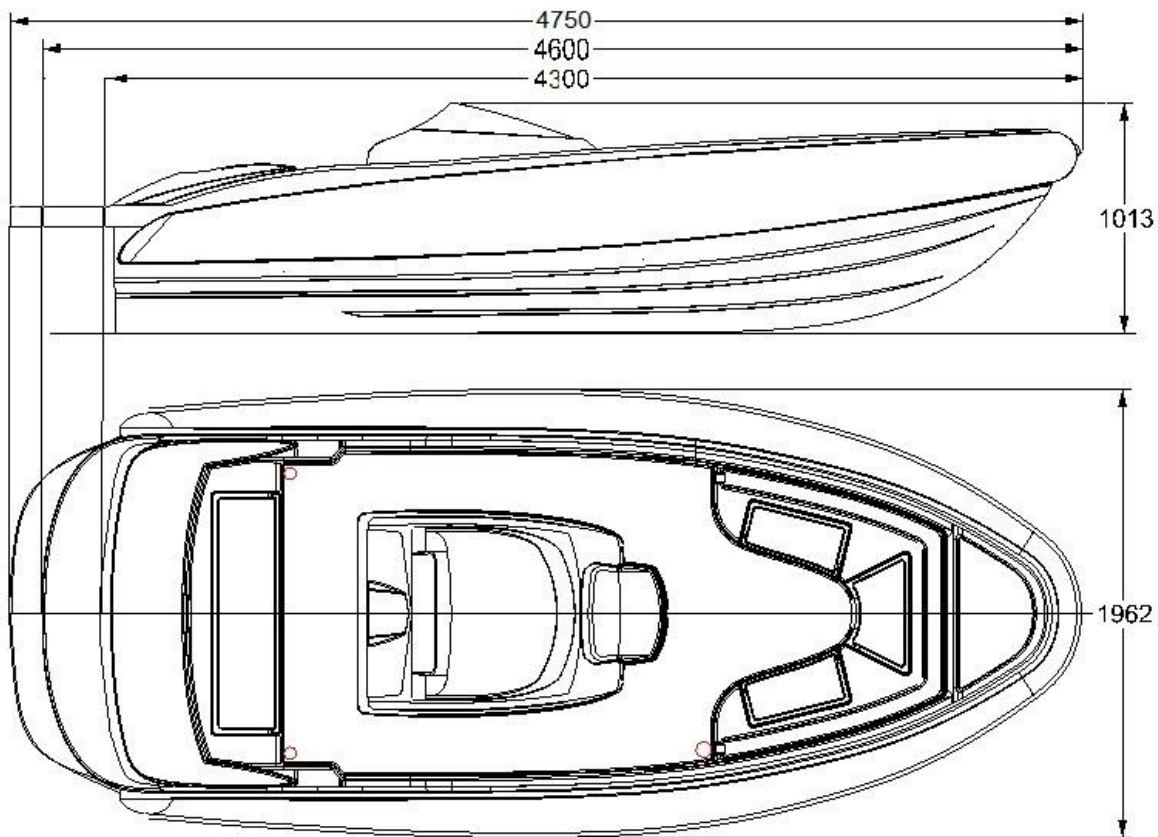

It is built by moulding highest quality materials with the infusion technique, using first choice woods, stainless-steel, aluminium and titanium accessories, according to the owner's or crew's preferences, as Naumatec is always pleased to offer tailor made solutions requested by the customers.

The choice to propose both Diesel or Gas engine configurations, a dry weight starting from 550 Kg (thanks to the use of light resins and infusion moulding) and the option to have the tender shortened to a **4.6 m** or a **4.3 m** length when space aboard is an issue, let the 475 meet the needs of an eclectic variety of owners and satisfy the expectations of even the most demanding customers.

TECHNICAL SPECS:

Max Length (m):	4,75 reducible to 4,60 or 4,30 (4,45 in Diesel version) by shortening the rear deck and without affecting internal space
External Beam (m):	2,00
Internal Beam (m):	1,43
Max Height (m):	1,03 (reducible to 0,90 on demand)
Dry Weight (kg):	550 in the gas engine configuration 800 in the Diesel engine configuration
Tubes diameter (m):	0,4 - 0,2
Tubes compartments:	5
Max Load (people):	6
Fuel tank capacity (lt):	Up to 65
Engines :	Up to 170 Hp Gasoline Up to 125 Hp Diesel
Transmissions :	Waterjet
Detected speed:	35 Knots with Yamaha 110 Hp Gas 42 Knots with Rotax 155 Hp Gas 38 Knots with Yanmar 125 Hp Diesel

ENGINE OPTIONS:

Rotax 170 Hp 4 strokes Gas - Jet
Yanmar 110 Hp Diesel - Jet AM

STANDARD EQUIPMENT:

Gelcoat in White Colour
Tubes in Hypalon White colour
Teak coated deck
Navigation lights on pole 360°
Full cushions set
Removable Bathing ladder
Retractable mooring cleats
Eyebolts at stern
Automatic + manual bilge pump
Manual tubes inflator
Courtesy kit and fire extinguisher
...

OPTIONALS:

Hull Custom Colour Gelcoat
Hull / Deck Double Layer Painting
Custom Colour Hypalon Tubes
Retractable Bathing Ladder
Fresh water shower
Audio System Raymarine
GPS chart plotter Raymarine
VHF Ray 91 with AIS Receiver
AIS 700 Receiver/Transmitter
Depth Sounder
S/S Logo
Hauling System

Deck LED Lights
Underwater Lights
Retractable Navigation Light
Courtesy Handle
S/S Handrails at Bow
Reinforced Tow Hook
Water Ski Pole
Stern Hook
Spray Dodger
Boat Cover
Electric Inflator System
....
